

Directions for Athletic Physical at Student Health Service

The MSU Athletic Department requires that the student-athlete have a pre-participation exam - physical before participating at Montana State. This exam will assist us with providing you with quality health care while you are a student-athlete at Montana State. Pre-participation exams will be given on the following dates, as specified, at MSU's Student Health Service. You will not be allowed to participate in any activities until this is completed. Every effort will be made to accommodate everyone's schedule. Be sure to complete the required forms and information needed before your exam and arrival at MSU. Read all directions before beginning.
